

# Marcos Jabib Ortiz Hassan

## EDUCATION

### B.S. IN COMPUTER SYSTEMS ENGINEERING

- Superior School of Computer Sciences (ESCOM, IPN)
- Graduating in June 2024 📍 [Mexico City](#)
- Intended major: Computer Science

### TECHNICAL CAREER IN INFORMATICS

- [Center of Scientific and Technological Studies N°13 \(IPN\)](#)
- 2017 – 2020 📍 Mexico City
- GPA: 94 out of 100

## EXPERIENCE AND PROJECTS

### [Aerospace Challenge](#)

November 2021

- I developed most part of frontend (validations, functionalities, and API's connection)
- [We won first place out of 80, LATAM wide](#)

### [Mexican Olympiad in Informatics](#)

Dec 2017 – Apr 2020

- [Second Place](#) in Mexico City (State competition)
- In high school [I taught C/C++, algorithms and problem solving to 40 students](#), three of them won a state medal. (480 hours)

### [International Sciences contest](#)

March 2020

- International contest about different sciences
- [58.th place at mathematics over 300 participants.](#)
- [22.th place at computation over 130 participants.](#)

### [Coding rush](#)

Oct 2018

- Competitive programming contest
- [Third Place, Mexico wide](#)

## TRAININGS, COURSES AND OTHER PROJECTS

- Oct 2022, [Google Cloud Computing Foundations ACADEMY](#)
- Feb 2020, [Participation in Robotics CIM](#)
- Nov 2019, [Participation in the interpolytechnic of integral calculus](#)
- Nov 2019, [Participation in Make X](#)
- Jun 2019, [Participation in Annual Programming contest "Donald Knuth"](#)
- July 2018, [Summers of competitive programming](#)

## TECHNOLOGIES

- C/C++ Competitive programming (3 years)
- C# and Python Win-Forms, ASP.NET and Xamarin (1 year)
- Java, HTML and CSS, and JavaScript (6 months)
